HMR Institute of Technology & Management was established in 2002 with a vision to ignite the scientific temper in our young budding technocrats. It has a sprawling campus in 5 acres of land. Since, it's inception, the institute has made all efforts towards providing state-of-the-art infrastructure, with well equipped laboratories, digital library, smart classrooms, hygienic cafeteria at par with the best in India. We have highly experienced and qualified faculty, actively engaged in research activities.

The institute strives to involve students in training projects and life skills activities over and above curriculum to fulfill the vision. Project Based Learning (PBL) is being practiced by employing Activity plan and Value Addition Program (VAPs), every semester. Students of HMRITM are being trained on Life skills and Technical skills to successfully grapple with the complexities of dynamic technology driven environment.

This Endeavour is aided by location of institute in Delhi that is hub to several corporate houses and industry.
